B-KLEEN EXTRA

VEHICLE CARPET & UPHOLSTERY CLEANER

- Rapidly removes grease, oil and nicotine
- Fabric brighteners restore colour
- Pleasant fragrance freshens vehicle interiors

A heavy duty, low-foam cleaner for cleaning, revitalising and restoring vehicle carpets, upholstery and interiors.

USES

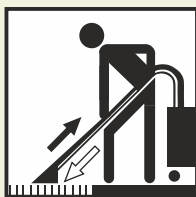

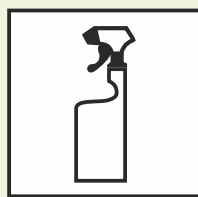

An aqueous blend of heavy duty cleaning agents with fabric colour brighteners and fragrances. Effective to remove grease, oil, nicotine and general soiling.

Use to clean upholstery and carpets in cars, vans, lorries and buses. Ideal for use by professional valeters in the automotive and transport industries.

DIRECTIONS

Thoroughly vacuum the fabric before application. Dilute B-KLEEN EXTRA with hot or cold water according to the area to be cleaned. Apply using a cloth, triggerspray or spray extraction machine. Extract as much liquid as possible and rinse if required. Immediately rinse away any overspray with clean water

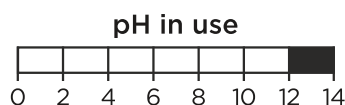

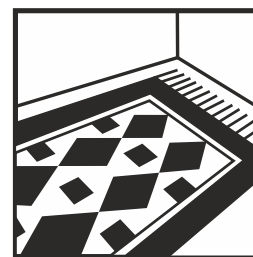

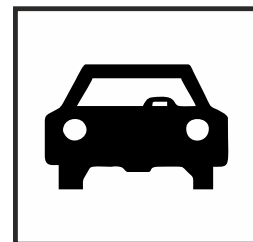

N.B. Do not use on alkali sensitive surfaces. Test fabric compatibility prior to use.

DILUTIONS

B-KLEEN EXTRA : WATER	
Normal Use 1:200	Heavy Duty 1:100
